3. Authorized Representative, if applicable:

Not applicable

4. Declaration of Responsibility

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer.

5. Subject of the Declaration

The subject of this declaration is the packaging clearly identified above.

Description:

PP tube, consisting of a PP upper and lower section, screw-on type. Manufactured using the extrusion blow molding process. Label 50 mm x 30 mm made of paper, removable, with thermal transfer printing (wax/resin).

6. Conformity with EU Legislation

The subject of the declaration described above complies with the relevant requirements of Regulation (EU) 2025/40 on packaging and packaging waste, in particular the applicable requirements set forth in Articles 5 through 12, insofar as they apply to the packaging.

Conformity was assessed as part of the internal production control in accordance with Annex VII of Regulation (EU) 2025/40.

The technical documentation in accordance with Annex VII is available and will be provided to the competent authorities upon request.

7. Applied standards, common specifications, or technical specifications

At the time of issuance, no harmonized standards or common specifications within the meaning of Regulation (EU) 2025/40 were applied, insofar as such standards or specifications were not available or not relevant for the packaging in question.

The following other technical specifications and assessment criteria were used:

Drawing: Z-J95100

Polypropylene (PP) Safety Data Sheet Braskem DR155.01, as of October 1, 2021

Polypropylene (PP): Regulatory Information Sheet (RIS) DR155.01

Supplier's Declaration dated April 14, 2026 (Labelident)

Certification list from the manufacturer (Labelident)

Assessment Substance restrictions and material composition: Technical Documentation No. 18510

Recyclability assessment: Technical Documentation No. 18510

Packaging minimization assessment: Technical Documentation No. 18510

Labeling Assessment: Technical Documentation No. 18510

8. Notified Body

Not applicable.

9. Additional Information

None.

10. Retention:

This declaration and the associated technical documentation will be retained from the respective date of placing on the market of the packaging covered by this declaration for the legally prescribed period. The retention period is 5 years for single-use packaging and 10 years for reusable packaging.

11. Signature

Signed for and on behalf of:

HENRYS GmbH, Production and Wholesale

City: Karlsruhe
